EU Declaration of Conformity

Manufacturer: Purge Solutions, Inc., 592 Avenue E 1/2, Alvin, Texas 77511 USA

Equipment Model: Increased Safety Enclosures

Description: The range of increased safety enclosures have hinged and clamped doors closed by stainless steel screwed clamps that can be manufactured in any size required, in a range of materials. In order to maintain IP the hinge / clamps have a maximum center to center distance from each other and corner of the enclosure. The enclosure can be fitted with an optional internal mounting plate if required and has both internal and external earthing points. The enclosure utilizes a gasket made from a medium density silicone that is fixed to the enclosure door with adhesive.

European Directive: 2014/34/EU, "ATEX"

Standards applied: EN IEC 60079-0:2018, EN 60079-7:2015/AI:2018 and EN IEC 60079-31:2022.

Markings:  II 2G Ex eb IIC Gb
